RE: THE COMMITTEE TO RESTORE CARBONDALE CITY HALL, INC.

Dear Mr. Powell:

We've been most pleased to have been of help to you in your recent incorporation.

In reviewing our records we note that you hadn't purchased a corporate "Kit".

Many of our clients who do not buy a kit when they form a corporation develop the need for one fairly quickly. Often it is handy to have an engraved corporate seal, printed stock certificates and a stock transfer ledger, by-laws, handy forms for corporation all in one place. Additionally a beautiful corporate kit with your corporate name printed on it can be a cherished and treasured possession.

The enclosed flier describes our latest deluxe corporate kit. If you'd like one, we can prepare a customized kit for you and have it on the way to you within 2 days of receipt.

If we can be of help in this area, please forward your kit order and we will promptly forward it to you.

Sincerely,

P.A. McLaughlin
